

# MONTHLY REPORT

## January

January marks the beginning of a New Year, and we chose to start it with a special gift for the children—a reminder that we are with them in all the months ahead.

# "EARN IT, DON'T BEG"

At True Joy Orphanage, we inspire our children to live with the spirit of great biblical figures such as Daniel, Joseph, Job and David. These figures faced immense trials, yet they never begged for help—they depended solely on God and earned His blessings through faith, perseverance, and integrity. We want our children to understand the power of relying on God, knowing that even through hardships, they too can overcome obstacles and rise stronger.

With this foundation, we encouraged the children to work diligently for the gifts we planned to give them. We made it clear: the gifts were not simply handed out. They had to earn them through their efforts, dedication, and active participation. We reminded them that while failure may come, it is simply a stepping stone on the path to success. Each child was motivated to do their very best in the dictation competition, and at the end of it all, we not only rewarded the winners but also honored every child for their hard work and commitment.

The gifts they received were a testament to their active participation, showing them that they had earned them with determination and a willing heart. We hope this experience taught them that the journey of perseverance, faith, and hard work always leads to rewards, and the greatest gift is knowing that God is with them every step of the way.

# THE POWER OF DETERMINATION

The journey of acquiring something worthwhile is not always easy. Our children learned the importance of persistence, focus, and dedication in achieving their goals. Every challenge faced and every step forward was a building block for their future success. We captured moments of hard work, collaboration, and the focused determination of our children as they participated in the dictation competition, demonstrating their willingness to rise above challenges.

# FAITH AND ACTIVE PARTICIPATION

Each child's involvement in the dictation competition was an act of faith. They trusted in their ability to grow, learn, and succeed. We celebrated their active participation and applauded their efforts, knowing that their courage to step up is the first step toward the blessings they are meant to receive. The pictures on this page highlight their confidence and spirit as they embraced the challenge with a heart full of faith.

# THE REWARD OF EFFORT

The final reward was not just a gift, but the understanding that every effort counts, and every victory, big or small, is earned. We distributed gifts to each child, reinforcing that their hard work and determination made them deserving. The smiles captured in these photos reflect the joy of knowing they've earned their rewards through faith and effort—a lesson that will stay with them for a lifetime.

# THANK YOU
